# Classy Style Pi/Energy Cup

**Longrich**  
**π CUP**

<b>Alkaline Balance</b>	Clears acidic wastes and improves body's acidic environment
<b>Anti-Oxidant</b>	Enhance immunity and Delays the aging process
<b>Eliminates Chlorine</b>	Degrade the residue chlorine content
<b>Anion Exchange</b>	Carries more oxygen in the body. Enhance water quality and taste.
<b>Mineral Zinc-Rich</b>	Supplements minerals and trace elements, strengthen the rate of zinc extraction to 100%, and enhance the immunity
<b>Small Molecular Activity</b>	Provides strong penetration and good solubility, easily absorbed, improves body microcirculation and promotes metabolism

Longrich Pi Cup converts water to alkaline. It purifies water. Water from this cup is full of negative ions which can carry more oxygen through the body. Helps activate cells and enhance water quality. The specific negative ions technology of the cup can deliver more active hydrogen for the body and eliminate excess free radicals. It neutralizes excess acid in the body for effective mechanism and prevents cancerous cells in your body since they cannot live in an alkaline medium.

## Other Features

- Removes chlorine from water
- Changes water from acidic to alkaline
- Flushes away any acidic content in the body
- It reduces cholesterol in the body
- Helps remove toxins out of vital organs
- Contributes to quality eye sight, hair and skin
- Enhances immunity and prevents diseases
- Delays aging process
- Protects the liver
- Flushes away any acidic content in the body.
- Filters and purifies water
- Reduces blood cholesterol
- Aids weight loss

## **Longrich** Alkaline Pi Cup (With tourmaline gemstones) Mobile Water Treatment Plant

- Stroke patients
- Cervical/lumbar spondylosis patients
- People with hormonal imbalance
- People with painful periods
- People with cardiovascular diseases
- People who are wheelchair bound
- People with varicose veins

## Longrich Aplus ENERGY SHOE

The First Human Power Bank.  
Miracle Wonder, Italian Handcrafted

**Introduction:** The foot is to us what the root is to trees. Because of its position, your foot mirrors your general health. It is termed the 'second heart' of the human body. The foot accounts for 25% of the bones in the human body. It carries one-half of the body's weight when walking. With so many nerve endings in the foot, it is one of the nerve-rich parts of the body.

**How does it work?** The A-plus energy shoes contain super-magnetic energy and herbal materials which synergistically stimulate reflex/acupuncture points (known as reflex zones) on the foot. This action enhances musculoskeletal activities as well as blood circulation to organs whose channels terminate on the foot. Increased blood circulation means increased oxygen supply to these organs, thereby energizing them.

### Features:

1. First human power bank: Recharges, reboots and revitalizes
2. Energy materials consist of super-magnetic materials and natural plants
3. Exclusive mechanical correction technology (shapes foot arches/ rectifies body skeleton/ corrects spinal column)
4. Unblocks all meridians, channels and collaterals
5. Arouses self-repair and self-healing potentials
6. Stimulates blood circulation to all organs of the body, promotes metabolism and eliminates toxins from the blood
7. Increases stamina
8. Balances and aligns all angles of the bones thereby treating joint issues

9. Based on 5 theories including reflexology, biomechanics and ergonomics

### Suitable for:

- People who tire easily
- People suffering from chronic diseases and insomnia
- People on Constant medication
- People with active lifestyle who want improved performance
- Nursing mothers: promotes recovery and lactation
- People with joint issues, arthritis, rheumatism, etc.

### Not suitable for:

- Stroke patients
- Cervical/lumbar spondylosis patients
- People with hormonal imbalance
- People with painful periods
- People with cardiovascular diseases
- People who are wheelchair bound
- People with varicose veins
- Pregnant women
- People with internal/ cerebral/ retinal haemorrhage (bleeding)
- People wearing pacemakers
- People with high fever

**Expected timelines with energy shoes:**

- After 1 minute: Experience instant energy
- After 10 minutes: Significant reduction in pain when pressure is applied to the disease reflex area
- After 3 days: Strength is regained and spine is strengthened
- After 90 days: All meridians and channels are unblocked, significant improvement in condition.

**Caution:** Keep shoes away from water or mud to avoid damage to the energy materials.
